

Compliance Training for Shipping Class 6 Division 6.2 Infectious Substances and Related Materials

Saf-T-Pak Class 6 Division 6.2 Training – More Options to Choose From

Protect your valuable biomaterial shipments! Help eliminate rejected packages, shipment delays and possible fines. Ensure your training is up to date according to the regulations as published by IATA, ICAO, US DOT, Transport Canada, RID/ADR and Universal Postal Union. The 2010 Saf-T-Pak Compliance Training for Class 6 Division 6.2 Infectious Substances, Biological Substances, Genetically Modified Organisms, Dry ice, Liquid Nitrogen Shippers, Excepted Quantities and Limited Quantities offers more training options and greater customization than ever before. The following options are now available for 2010:

- Internet-based Training
- CD-based Training
- Training Reference Manual with On-Line Test **NEW**
- Public Seminar Training
- Private On-Site Seminar Training

Spanish, French and English Training Streams Now Included

No matter how large or small an organization, Saf-T-Pak has the training option or combination of options that will best fit the unique needs of your organization. Saf-T-Pak Compliance Training options are perfect for:

- Large Government Agencies
- University Medical and Research Centers
- Community Hospital Labs
- Clinical Reference Labs
- Clinical Research Organizations
- Individual Clinical Trial Sites
- Medical, Dental and Veterinary Practices

As an extra benefit, Saf-T-Pak is ready to support its customers throughout the training process and beyond. All Saf-T-Pak Customers have access to our full-time Regulatory Specialists via email or phone for assistance. Please remember that per the regulations, responsibility for the correct shipping of any dangerous good ultimately lies with the shipper.

Saf-T-Pak ... your total solutions provider for Shipping Class 6 Division 6.2 Infectious Substances Compliance Training ... We've Got You Covered.™

Computer Based Training Options:

The Saf-T-Pak computer based training, Internet and CD options, are perfect for those who can't travel to a Saf-T-Pak Public Training session, can't commit a full day from their busy schedule, or simply prefer to train at their own pace.

Compliance Training for Shipping Class 6 Division 6.2 Infectious Substances and Related Materials

More Language Choices

Both the Internet and CD versions of the Saf-T-Pak Compliance Training now include training streams in English, Spanish and French. Pick the language of your choice!

New Functionality

Both the Internet and CD versions of the Saf-T-Pak Compliance Training programs are written in the industry standard Adobe Flash®, making them compatible with more operating systems and browsers than ever before.

Attention Mac Users: the Saf-T-Pak Internet version is now also Mac friendly!

Customize Your Training for What You Need

The 2010 Saf-T-Pak Computer Based Compliance Training allows you to choose exactly the training you need. No wasted time training on what you won't use. Your final test and certificate will reflect the specific training subjects you chose at the beginning of the training. Additionally, you can return throughout 2010 if you need to add a subject to your training.

Training selections include:

- Category A Infectious Substances
- Category B Infectious Substances
- Exempt Human and Animal Specimens
- Genetically Modified Organisms
- Dry ice
- Dry and Wet Liquid Nitrogen Shippers
- Limited Quantities
- Excepted Quantities

Customized Test and Certificate

After the test is completed, it is scored with just a simple click of the mouse. The trainee can then print a certificate as their record of training, documenting their test score, the specific areas tested on, as well as the test and expiration date of the certificate. If the test score isn't acceptable to the trainee's organization, they may take the test over as many times as needed. All that is needed is a high speed internet connection with access to the Saf-T-Pak Internet Training Portal.

Responsible for Division 6.2 Training for a Large Staff or at Multiple Sites?

The Saf-T-Pak Internet version is perfect for you! Keep track of the training progress and test score for each trainee with the optional Administrative Tool. As the Administrator, you can print out duplicate certificates to keep in your files. Your trainees can begin training on one computer and finish on another, providing total flexibility for your organization.

Comprehensive Desk Reference Available at Special Pricing

Save approximately 50% on the price of the new and improved 2010 Saf-T-Pak Shipping Class 6 Division 6.2 Dangerous Goods Compliance Training Reference Manual by adding it to the purchase of your Internet or CD-based training. This publication is a valuable desk reference during training and afterwards for anyone involved in the shipping of Class 6 Division 6.2 Infectious Substances or related materials. Training Reference Manual available in English only.

Compliance Training for Shipping Class 6 Division 6.2 Infectious Substances and Related Materials

Saf-T-Pak Compliance Training Reference Manual with On-Line Test

For those who prefer to train directly from the Saf-T-Pak Manual, a new benefit has been added. With the individual purchase of the Saf-T-Pak Compliance Training Manual, not in conjunction with the Internet or CD Training, the trainee will receive one On-line test code that will allow the user to take the same final test found in the Internet and CD version.

Important Note: The Saf-T-Pak Compliance Training Reference Manual no longer includes a printed test. The new On-Line test serves to verify each trainee's understanding of the regulations, while the certificate which is generated allows the employer to confirm the trainee's successful completion of the training and the test.

2010 Compliance Training Reference Manual

- » Valid throughout 2010.
- » High Speed Internet Required for On-Line Test.
- » One on-line exam code per manual.
- » Free technical and regulatory support.

STP-861 Saf-T-Pak Compliance Training Reference Manual with One On-Line Test Code

STP-864 Saf-T-Pak Compliance Training Reference Manual with One On-Line Test Code and IATA DGR Manual

Saf-T-Pak Seminar Style Training Sessions

Public Training Seminars

Held throughout the year at locations across the United States and Canada, the Saf-T-Pak Public Compliance Training Seminar is a one day symposium-style course that offers participants the advantage of direct interaction with the trainer and other students. Each student receives a copy of the comprehensive Saf-T-Pak Training Reference Manual and takes part in a hands-on exercise to correctly pack, mark, label and document a "shipment", using actual UN specification packaging from Saf-T-Pak. Discounts are available for multiple attendees from the same organization for the same seminar.

For more information including seminar schedules and pricing, call us at 1-800-814-7484 or direct at 410-553-6066 or go to our website at <http://www.saftpak.com/trainingpublic.asp>.

Private On-site Training Seminar

Save employee travel expense and time by bringing the Saf-T-Pak Compliance Training Seminar to your location. Saf-T-Pak Private Seminars are the same format as our Public Seminars, but offer the added benefit of allowing the training to be customized for the specific situations that apply to your organization.

With a maximum of thirty participants per session, Saf-T-Pak Private Seminars are a cost-effective way to ensure your organization is up-to-date with its compliance training requirements. For pricing or to schedule a seminar, please contact us at 800-814-7484 or 410-553-6066 or via email from the Contact Us page of our website at www.saftpak.com.

Orders may be placed by:

Phone: 1-800-814-7484 or 780-486-0211
8 AM to 6:30 PM Eastern Time, Monday through Friday (excluding holidays)
